STEAK AND SHABU SHABU

Allana® | الأنا®

A rich heritage that roots back to 1865, the Allana Group represents a long tradition of quality, innovation and excellent customer service. We take immense pleasure in our grand heritage and consider it our leading responsibility to preserve it.

We're India's largest producer and exporter of branded processed food products and agro commodities to over 85 countries. The Allana brand has significantly grown from modest beginnings to become a key player in the global Agri products industry and the producer and supplier of preference for many.

EXPORTER

FROZEN & FRESH

We choose the right livestock from disease free zones created by the government around the plants.

Proper tagging of livestock for traceability.

DETAILED ante mortem examinations & complete post mortem for wholesomeness before being chilled.

Skilled butchers who scientifically separate different cuts.

Plate freezing or blast freezing to bring down the core temperature to less than -18°C.

Panel of highly qualified and experienced professionals to adhere to strict quality regimen.

pH value is lowered to below 6 to achieve fresh tenderness in the meat.

Huge cold store capacity to store more than 50,000 MTs of frozen products at strategic locations across India.

Specially designed temperature controlled trucks, to carry the meat at -18°C, maintaining the freshness and hygiene quality.
