French Fries

PREFRIED - DEEP FROZEN

Frozen Potato Product

A Legacy of **Quality, Trust & Commitment**

Established in the year 1865, the Allana brand represents a long tradition of quality, innovation and excellent customer service. We take immense pleasure in our grand heritage and consider it our leading responsibility to preserve it.

The Allana Group is acknowledged as the Global Leader in the manufacture & export of various branded processed food products & agro commodities to over 85 countries worldwide. We have world class integrated manufacturing establishments across the country & close to the raw material sourcing areas & are well connected to the nearby ports for smooth transportation of products.

The Allana Group currently enjoys the status of “**Five Star Export House**”, one of the rare recognitions conferred by the Ministry of Commerce, Government of India.

With a legacy of excellence and a commitment to quality, we are thrilled to introduce our newest offering - **Allana French Fries**. Crafted from the finest potatoes and prepared with the precision that defines our brand, these French fries are designed to elevate your culinary experience.

As we continue to bring you the best in food products, Allana French Fries represent our dedication to quality and our passion for delivering exceptional taste. Discover the perfect blend of convenience and flavor with Allana French Fries—your new go-to for a delicious, crispy snack.

SOURCING & OPERATIONS

SEED TO SHELF

Allana French Fries come with complete control over value chain to deliver the best consistency in flavor and size of French Fries Made in India and comparable with European quality.

ASSOCIATION

Allana has already signed the agreement with Technico to securitize the best variety of G3 Santana seed for multiplication and harvest of Potatoes used for French Fries production now in India and preferred world over for consumption.

SOURCE

North Gujarat has emerged as key geography in cultivation of potatoes with all major processors sourcing their potato from this region. Allana enjoys very good relationship and tie ups with the Farmers and Processors to ensure the consistent supplies of Raw materials as well as French Fries in Frozen format.

EXPERTISE

At Allana with our acquired expertise over decades in frozen value chain operations we strive to achieve excellence in sourcing, quality control, cold storage management at the origin and extensive distribution "Route to Market" operations in global destination markets.

STRINGENT QUALITY

Our stringent quality supervision ensures uniformity and consistency in quality with 100% automatic Processing line, with Plant holding in-house storage facility to store the French fries at -18° celsius.
